"It has been a real benefit for Guild incorporated to be a member of the River Heights Chamber. Our involvement in the Chamber has added to our exposure and contacts in the community, as well as given us opportunity to engage individuals and businesses in the mission of our organization."

George Broostin, Guild Inc.

"For those interested in making a bold statement *against* our current economic recession, an investment in the River heights Chamber is just smart business. The wonderful chamber 'team' is wholeheartedly and passionately dedicated to its mission to 'aggressively promote the interest of the business community.' There are so many opportunities to get involved; and the networking and connections I've witnessed through Chamber events have been too numerous to mention here. My investment in the River Heights Chamber of Commerce has been one of the most enriching and important decisions I've made this past year. I wholeheartedly recommend Chamber membership to those who not only wish to stay in business, but, for those who want to thrive in business!"
