

Featured Sponsorship Agreement

The Small Business Makeover Contest is a/an:

1. Unique opportunity to support the business community and the growth of an entrepreneur/local small business;
2. Excellent benefit for a small business to gain access to thousands of dollars' worth of in-kind professional services and products (makeover package);
3. Undeniable value of publicity and recognition through social media, the River Heights Chamber of Commerce and various media outlets, for local business supporters and the Small Business Makeover recipient.

This initiative has the potential to draw state-wide attention from the media and is a great way to demonstrate your company's support of small business and a community outreach initiative.
